

DERMATOGLYPHICS

DMIT TEST

Nearly **1 in 3** U.S. college students changes majors within the first three years, any many feel dissatisfied with their inital choice.

GSN's DMIT (Dermatoglyphics Multiple Intelligence Test) assessment helps identify natural strengths, learning styles, and potential career interests through fingerprint analysis—supporting more confident educational and career decisions.

YOUR DMIT EXPERIENCE INCLUDES

- ✓ Fingerprint Scanning
- ✓ Personalized DMIT Guidebook
- ✓ One-on-One Expert Consultation

DISCOVER YOUR STRENGTHS

BUILD YOUR FUTURE WITH CONFIDENCE
